## HVCH Foundation auction at The Hangar Aug. 9

Hocking Valley Community Hospital Foundation is hosting a Bids & Brews Benefit on Friday, August 9, at The Hangar in Logan.

"There's a refreshing energy to the annual charity benefit this year with the relocation to The Hangar, the addition of Shucking Bubba Deluxe band, food trucks, beer garden, and so much more," Latricia Johnston, HVCH Chief Public Relations Officer, said. "And the line-up of auction items always amazes me, as local and distant businesses/individuals work with us so generously to provide new and enhanced items each year."

For 2019, approximately 70 items will be available for bidders to choose from including Jersey Boys tickets, Gatlinburg and Siesta Key, Fla., getaways, a tiny house stay with beautiful lake view, and a plethora of other sports and entertainment activities.

"If you're into fishing, dinner theatres, working around the yard, or simply sitting down and relaxing while someone

else cleans your home, just be the highest bidder that evening and you can leave the winner of one of those packages," Johnston said.

Also, for the first time this year, a mystery box will be up for bid.

The event is split into silent and live auctions and allows everyone to participate. The silent auction will begin at 5:30 p.m. and all tables will close at 8 p.m., with the exception of another new addition this year – the super silent auction, which will remain open until 9:30 p.m.

The live auction will begin at 8:15 p.m. with licensed auctioneer Chris Collins. Collins is a graduate of Missouri Auction School, a member of the Ohio Auctioneers Association, Certified Appraisers Guild of America, National Association of Realtors, Ohio Association of Realtors and Athens County MLS.

## Direct to You: From Stacey Gabriel

We have entered into a crazy season of Foundation events for Hocking Valley Community Hospital. For many, many

Stacey Gabriel, CEO

years, the auction and golf tournament have been frequented by many. In the past, these events were held on the same weekend starting Friday evening and lasting through Saturday with months of planning and preparation being done prior to the actual events. Auction goes would often include those who once lived in Hocking County, yet moved away. Golf teams would consist of those who had been friends for many years and returned during this one weekend to reminisce about the past.

In 2019, the decision was made to make some changes to our events. The golf tournament was held this past Tuesday, and although the weather was a bit rough at the start, it ended up being a beautiful day. There were laughs, lots of "FOREs," and the enjoyment of one another's company during game play. We saw some new faces, as well as faces of those who have golfed since the event's inception. It was just a great time to

connect with some of those that support HVCH and our mission.

One of the most memorable parts of the day was having the privilege to hear words from Dick Brandt, our honorary starter for the tournament. Mr. Brandt has a long history with HVCH, as his grandfather Barton A. Holl, was very instrumental in getting the community support needed to build the hospital where it currently sits today. Mr. Brandt said it so eloquently when he stated, "the hospital has seen some rainy days, but I can feel that things are certainly heading in the right direction."

The first board of trustees responsible for building and equipping the hospital included: Barton A. Holl, Earl H. Elberfeld, Robert W. Keynes, Arthur M. Gasser, Francis Myers and Velva Brashares. A campaign began to build a new HVCH spearheaded by Dr. J. Ward Doering, Dr. Richard Bullock, Dr. Owen Shaw, Ferd Hack, William Miller, B.G. Greenman, Don Russell, Donald Young, Forrest Moore, Quentin Perez, James Stilwell, Lavon Goodlive and J. Russell Young.

I know you all hear stories of rural hospitals that can no longer sustain due to the financial situations in which they have found themselves. Also, I

## AUCTION

to make an entire evening out of the benefit, also new for 2019 is a post-auction concert with Shucking Bubba Deluxe beginning at 9:30 p.m. Playing only the best cover songs ranging from old-school hip-hop to funk and alternative rock, they are sure to make this a spectacular evening for all who join us," Johnston said. "The spacious and modern Hangar is one of the most picturesque landscapes Hocking County has to offer. If you haven't had the opportunity to see this venue, we encourage you to come to this free event! We are grateful to the family of Mr. and Mrs. Roger Shaw for their generous donation and use of their facility for our Bids & Brews Benefit."

Food trucks Bob's Backyard BBQ of Lancaster and Chris' Snack Shack of Lewis Center will be open throughout the event, as well as the beer garden for a variety of beverages.

The Foundation also is conducting two exciting raffles that will be drawn during the Bids & Brews Benefit – one for a vacation to Panama City Beach, Fla., and the other for a Ruger .450 rifle.

The Panama City Beach trip and \$1,000 traveling cash was generously donated by the HVCH Board of Trustees. Tickets are \$20 each and are available at [www.hvch.org](http://www.hvch.org) and the night of the event. The winner does not need to be present.

The Ruger .450 Bushmaster American Rifle Ranch was donated by Downs Bait & Guns. Tickets are \$20 and a limited number of 50 will be sold during the Bids & Brews Benefit only. The winner for this drawing does need to be present at the event to win.

"The Foundation has been there to help support our hospital for the past 39 years, and this event is just one of the many ways others can help with that mission," Stacey Gabriel, HVCH President and CEO, said. "We are excited for the changes and the opportunity to bring great people together for a great cause."

## Habitat for Humanity volunteers needed

Habitat for Humanity of Southeast Ohio is planning its newest home-building project in Logan and volunteers are needed. The house will be located on East Second Street. The project will start with "blitz build" days on Aug. 8, 9, and 10. Several volunteers will be needed on these days as they complete about 50 percent of the home.

After the blitz build, volunteers will still be needed for the next 12 weeks as the remainder of the project is complete. About 6-8 volunteers are needed from Wednesdays to Saturdays from 9 a.m. to 4 p.m.

If you would like to volunteer to help with this build, please contact Barry Unger, Habitat for Humanity Volunteer Coordinator, at 740-592-0032 ext. 104.

## No HVCH Update on 8/9

There will be no Weekly Update sent on 8/9 as we prepare for the Bids & Brews Benefit. We hope to see you at the event!

know there has been concern about HVCH being here in five, 10, even 20 years. I can assure you, the leadership team at HVCH is committed to remaining a viable part of this community for many years to come. When I hear about the history of what it took to make HVCH a reality, it makes me even more excited to do the work that will ensure our success. This community NEEDS Hocking Valley Community Hospital. We all play a part to that continued success. We can speak to the services we offer. We can attend Foundation events which demonstrate the support we have as hospital employees. All of those combined efforts is what makes us who we are. I would personally like to thank you for your continuing to support the purpose of HVCH. It is such a great one.

The 16.12" cold-hammer-forged barrel is free-floated and has a muzzle threaded at 11/16-24TPI. The muzzle is then fitted at the factory with a specially designed muzzle brake secured by an adjustable barrel nut in place of a crush washer. The steel receiver is topped with a factory-installed 5" aluminum optics rail compatible with Picatinny-type scope mounting systems. The single-piece, three-lug bolt cycles smoothly and features a full diameter bolt body, dual cocking cams and a round knob bolt handle.
